Summary

A management undergrad who is passionate about exploring the varied disciplines of business. I'm an active learner who loves to undertake new challenges and is always looking for ways to augment my knowledge. I'm highly organized and have cogent communication skills, which I believe are essential in the business world. I'm also motivated and driven to succeed, which I think will help me in my future career. I'm excited to continue my journey and explore the various aspects of business with the help of the professional network of LinkedIn.
